Designs by Lyn stands behind our product. However we cannot guarantee a successful complete cleaning for gowns that are not produced by our company or costumes made with special delicate appliques, hand paintings, fringe, silk, feathers, fur and satin ribbons. In order for us to make that decision, we will need to see the gown (sometimes a picture of the gown) If for any reason we are unable to do a complete cleaning, other options would be to spot clean and touch-up garment. However we will contact you to discuss.

Shipping charges are the responsibility of the client, whether gown is cleaned or unable to be cleaned. Shipping and handling charges are \$55.00 for ground. Overnight charges to be discussed.

I \_\_\_\_\_ have requested that the following costumes be cleaned by Designs by Lyn. I understand by signing this agreement that Designs by Lyn will not guarantee or is responsible for any damage done to my costume. If any damage is done during cleaning a Designs by Lyn representative will contact me.
